Bill,

As I mentioned, the documents responsive to FOIA Request No. EPA-R2-2016-007137 which are not subject to a confidentiality claim were produced in July 2016. Please see the attached letter dated June 30, 2016 explaining our partial approval/denial determination and informing Mr. Arnold that the responsive documents which are not subject to a confidentiality claim were uploaded to FOIAonline. As indicated in the letter, the documents subject to G-I Holdings' confidentiality claim are insurance policies and related settlement agreements with various insurers. These are the only documents which have not been produced in response to FOIA Request No. EPA-R2-2016-007137. I am also attaching the letter to Ms. Simson regarding the Newark Bay Study Area.

Best,

Krista
